JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Milk—Production, Care, and Sale. (Ord. 765, Nov. 25, 1912.)

SECTION 1. *Scale card.*—That the city council adopt the national score card herein set out to be used by the inspector of dairies and require said inspector to visit each dairy and dealer and make inspection thereof as he may deem necessary.

SEC. 2. *Milk permit.*—That the city require all producers and sellers of milk to procure a permit to sell milk from the city board of health.

SEC. 3. *Dairy test.*—That the dairy test with a score of 55 be required for the permit to sell raw milk, and that a dairy score of 50 be required for the sale of milk to be pasteurized. This requirement to be in effect until 1914, after which time the dairy score shall be 60 for the sale of raw milk and a score of 55 for milk that is to be pasteurized.

SEC. 4. *Temperature.*—That all milk sold shall be kept and delivered at a temperature not above 55° F.

SEC. 5. *Milk grades.*—That all raw milk sold shall be graded in three grades and labeled as to grade A, B, and C. "A" grade milk to be milk from a tuberculin-tested herd with a dairy score of not less than 60. "B" grade milk to be milk from a tuberculin-tested herd with a dairy score of not less than 50. "C" grade milk to be from a tuberculin-tested herd or not with a dairy score of less than 50. That the grade milk shall be designated by the proper letter to be not less than three-fourths of an inch in height and placed upon the milk container. There shall be such contrast between the color of the letter and the background as shall render the letter perfectly legible.

SEC. 6. *Milk test.*—That all pasteurized milk sold must be from dairies scoring not less than 60; must be bottled with bacterial count of not more than 100,000 and be kept and delivered at a temperature of not more than 50° F.

SEC. 7. *Bacterial count.*—That the bacterial count of the milk from all dairies and sellers of milk be made from time to time and that no milk showing a bacterial count of more than 1,000,000 per cubic centimeter be allowed sold.

SEC. 8. *Milk bottled.*—No milk shall be bottled in transit or under conditions insanitary.

SEC. 9. *Report.*—That a monthly report of the inspector of dairies and milk-producing places be made to the city board of health.

SEC. 10. *Milk containers.*—That all consumers of milk, hotels, restaurants, and eating houses are hereby compelled to wash thoroughly all milk bottles and milk containers, and said milk containers shall be used for no other than milk purposes.

SEC. 11. *Penalty.*—Any person, firm, or corporation violating any provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be subject to a fine not exceeding \$100 or 30 days in jail.

WAUSAU, WIS.

Nuisances—Garbage, Manure, Privies and Cesspools—Exclusion of Flies. (Ord. June 4, 1912.)

SECTION 1. All cans or other receptacles for the holding of garbage in the city of Wausau pending its removal from the premises shall have a top or lid fitting tightly over the same, so as to prevent as far as possible the emission of odors therefrom and the entrance of flies therein.

SEC. 2. It shall be the duty of every person owning, controlling, or having in charge any stable, barn, or other place where horses, mules, cows, or other live stock are kept, to have and maintain at all times upon the premises in or adjacent to said stable, barn, or place, a fly-tight receptacle of sufficient dimensions for the purpose of containing the droppings of manure from said stock, and the same shall have a top, lid, or door so arranged as to be fly tight and to exclude therefrom all flies, and to de-

posit therein promptly all droppings from said stock, and to keep this top, lid, or door thereon closed at all times in such a manner as to prevent the ingress of flies thereto, except when necessarily opened for the purpose of depositing therein or removing therefrom such droppings as referred to.

SEC. 3. Every person having or keeping such garbage and manure within the limits of the city of Wausau shall cause the same to be removed from the premises at least once every week from the 1st day of June to the 1st day of October following, but nothing contained in this ordinance shall prohibit the placing of manure for fertilizing purposes on premises within the city of Wausau during the period of time from the 1st day of October to the 1st day of June following.

SEC. 4. No person shall remove or transport any such manure, garbage, or other waste material over any highway in the city except in a tight vehicle, which, if not inclosed, must be effectually covered with canvas or other suitable material, so as to prevent the manure, garbage, or waste material from falling therefrom.

SEC. 5. Any person maintaining on their premises in this city any privy, vault, or cesspool shall keep these places closed or screened in such a manner as to prevent the ingress of flies thereto, or deposit within such privy, vault, or cesspool a sufficient amount of quicklime or kerosene oil frequently enough so as to render them an unsuitable place for the habitation of flies.

SEC. 6. Any person violating or failing to comply with the provisions of this ordinance shall be guilty of a misdemeanor and shall be fined not less than \$2 nor more than \$10 for each offense, and each separate day upon which the offense is committed shall be deemed a separate offense within the meaning of this ordinance.

SEC. 7. It shall be the duty of the health commissioner of the city of Wausau, and of all police officers and others vested with police powers, to see to the enforcement of this ordinance and to arrest or cause to be arrested all offenders against the same.

WEST HOBOKEN, N. J.

Births, Marriages, and Deaths—Registration of—Burials. (Reg. Bd. of H., May 20, 1912.)

SECTION 1. That a bureau of vital statistics be, and is hereby, instituted in the town of West Hoboken, county of Hudson, N. J. The said bureau shall have control over the issuing of marriage licenses and shall be empowered to compel the return of all births, deaths, and marriages by physicians, midwives, nurses, clergymen, magistrates, and other persons professionally officiating at such death, birth, or marriage, and to regulate the burial and disinterment of human bodies. The said bureau shall be in charge of a registrar of vital statistics, who shall keep all death, birth and stillbirth, and marriage records, and other records connected with the powers herein granted, as well as issue all licenses and permits in connection with such powers.

SEC. 2. No undertaker or other person shall bury in, or bring into, or remove from this town the dead body of any person without first having received from the bureau of vital statistics of this town a permit so to do; said permit shall be granted only upon presenting to the said bureau the certificate of death, which shall be in accordance with the requirements of the laws of the State of New Jersey, or which shall be given by the coroners of the county of Hudson. *Provided*, That nothing in this ordinance shall be understood to prevent the transportation of the dead bodies of persons dying from noncommunicable diseases through the streets of the town of West Hoboken, N. J., for the purpose of shipping said bodies by rail or for direct transit from one adjoining sanitary district to another. Any person or persons violating any of the provisions of this section shall forfeit and pay a penalty of \$50.

SEC. 3. Every person having authority to solemnize marriages shall transmit to the bureau of vital statistics of this town a certificate of every marriage solemnized before
